

BRENDAN GIANG

Los Angeles, CA | (650) 709-9911 | brendan@g.studio | [linkedin.com/in/brendangiang](https://www.linkedin.com/in/brendangiang)

EDUCATION

USC Iovine and Young Academy | B.S. Arts, Technology and the Business of Innovation May 2030

Thematic Option Honors Program · National Merit USC Scholarship

Palo Alto High School | GPA 3.96/4.24, SAT 1560 | Silver Seal Award · Social Justice Pathway Jun 2026

Stanford OHS | Real & Complex Analysis · Linear Algebra · Differential Equations · Geometric Number Theory · Discrete Math · TA for AP CS A & MVC · Student Ambassador · Student Government (class pres)

EXPERIENCE

Founder | [Unstall.ai](https://uninstall.ai) Jun 2026 – Present

- Voice-first AI chief of staff (TypeScript, Next.js, Postgres, LLM reconciliation pipeline); piloting with real-estate listing agents

Founder & Camp Director | Paly Theatre Summer Camp Mar 2023 – Aug 2026

- Built a student-run camp: \$60K+ revenue over four summers, 40+ staff, 110+ students; I ran operations, marketing, permits, and curriculum. Trained and selected successor to ensure longevity of program.

Founder | FilmLab - City of Palo Alto Jun 2025 – Aug 2026

- Secured \$25K city funding; united Palo Alto school district, City of Palo Alto, and professional production companies; led 35+ teens to make *Picture Perfect*, now in festivals worldwide.

Research Assistant | Stanford University Nov 2023 – Aug 2024

- Analyzed data from thousands of ME/CFS study participants (Center for Genomics & Personalized Medicine); helped conduct education research at Stanford's SPARK Lab

PROJECTS

Amelia | 1st Prize + Audience Choice, MongoDB Persistent Context Hackathon (\$7.5K) Aug 2026

- Live-captioning assistant for deaf users; voiceprint speaker separation with persistent context via MongoDB Atlas vector search

Arbor | Winner, Nozomio Hackathon — Best Hyperspell Hack + Convex 1st Prize (\$2K) May 2026

- Token-saving marketplace where AI agents bid on tasks; scores bids, routes work, verifies via LLM judge.

AlignMinder | Finalist, Congressional Hackathon · Honorable Mention, Congressional App Challenge 2024

- Semantic search to help constituents find like-minded members of Congress via public legislative data.

LEADERSHIP

Palo Alto Youth Mental Health & Wellbeing Taskforce | Mayor-appointed representative 2024 – 25

Career Speakers Series | Organizer/MC 2022 – 26

- 21 talks, 2k+ students, incl. WhatsApp founder Brian Acton, Google VP REWS Scott Foster, former Stanford GSB Director Jeff Cabili, VP and Ericsson Head of Global AI Accelerator Elena Fersman.

HONORS

- National Merit Scholar — USC National Merit Scholarship (\$80K) | 2026
- Davidson Young Scholar · California Arts Scholar (CSSSA Film) · CA State Thespian Officer | 2025
- 1st Prize, C-SPAN StudentCam — 1st of [1,600] entries nationally; aired on C-SPAN | 2024

SKILLS

TypeScript/JavaScript, Python, C++, Java, PHP · React, Next.js, Postgres, MongoDB Atlas (vector search) · LLM app architecture + evals, Claude Code · USACO Gold · Directing, cinematography, video editing
